Should the computer not be able to answer all your questions, our staff will be happy to do their best to assist.

Tourist Information

**Steyning & District Community Partnership**

This map is one in a series of projects carried out by the Visitors & Tourism Group - a subcommittee of the Steyning & District Community Partnership. All schemes have been directed at improving the visitor experience, providing better information and improving the physical environment.

The overall aim of the volunteers who work within the Partnership is to draw ideas and needs from all corners of the community, in order to further the local economy for both residents and visitors alike and make Steyning and the surrounding district a more enjoyable place to live.

The South Downs National Park is recognised as a nationally important and diverse area with outstanding natural beauty and rich cultural heritage. Stretching over 100 miles long and home to over 108,000 people. Its ancient woodlands, heathlands, rivers and 12.4 miles of heritage coastline are interspersed with bustling market towns, and a multitude of rural villages. The famous South Downs Way National Trail runs the entire length, from Winchester to Eastbourne, and is a magnet for walkers, cyclists, nature lovers and a major draw for millions of visitors.
